Day & Time _____

Dear Families,

I am pleased to announce Baker Performance Academy's sixth year of classes. It seems like it was only yesterday that I moved to this wonderful community of Murfreesboro. In 2004 my husband and I moved from Tulsa, Oklahoma to Tennessee. At that time, I was the dance and musical theatre director for a studio in my hometown. Although it was difficult to leave behind so many fantastic students and wonderful memories, I was excited to begin my own studio.

As I began to open BPA I thought a lot about the arts that I was exposed to as a child. In my hometown studio I attended classes and studied several different styles of dance, music, and acting. I made lots of friends, who I still keep in touch with today. I believe I also received many wonderful attributes from my dance and musical theater classes. For example: my self-discipline, confidence, a creative mind, posture, balance, grace, and respect (not only for others, but also for myself).

I graduated from Columbia State College with degrees in Dance Studio Management and Commercial Performance. Although I was always a competitive dancer, I am equally as trained in musical theatre; in fact, this was my primary focus in high-school and college. At BPA, I offer a range of dance classes and I also offer musical theatre classes. The musical theatre classes are the first of their kind in the Murfreesboro area. These classes give the student an opportunity to study singing, dancing, and acting in one setting. They are a unique way for children to experience "Broadway".

Dancing, singing and acting are my passions! I believe through teaching your children, and passing along the positive attributes I have acquired, it will help them in their journey through life.

You will find that BPA has a positive, nurturing, safe, and fun atmosphere. All of my students are treated equal and given the same opportunities. Whether your child wants to be a Broadway star, or just have fun with their friends in an encouraging environment, these classes are for them. I will strive to make you and your child happy. Whether it be that extra help to get them ready for an upcoming audition or a much needed compliment on a bad day, I will be there for you and them.

Sincerely,

Becca Baker
