

BPA Holiday Performances

NURSING HOME PERFORMANCES

During this time of year many of us get the chance to go out and see choirs singing Christmas carols, Rockettes up on the stage, or maybe even a Christmas play. But, there are those who are unable to attend performances like these. That is why I want to share my talented students and their Holiday cheer with those who need it most. Once again I have scheduled performances at several nursing homes in our community. The residents in these homes look forward to seeing us each year. The student's Holiday cheer and youthfulness bring them so much joy! Attached to this letter is a schedule for all class performances. Thank you for taking time out of your busy Holiday schedules to share some Christmas spirit with those who truly need it most!
